

Design a modular phone

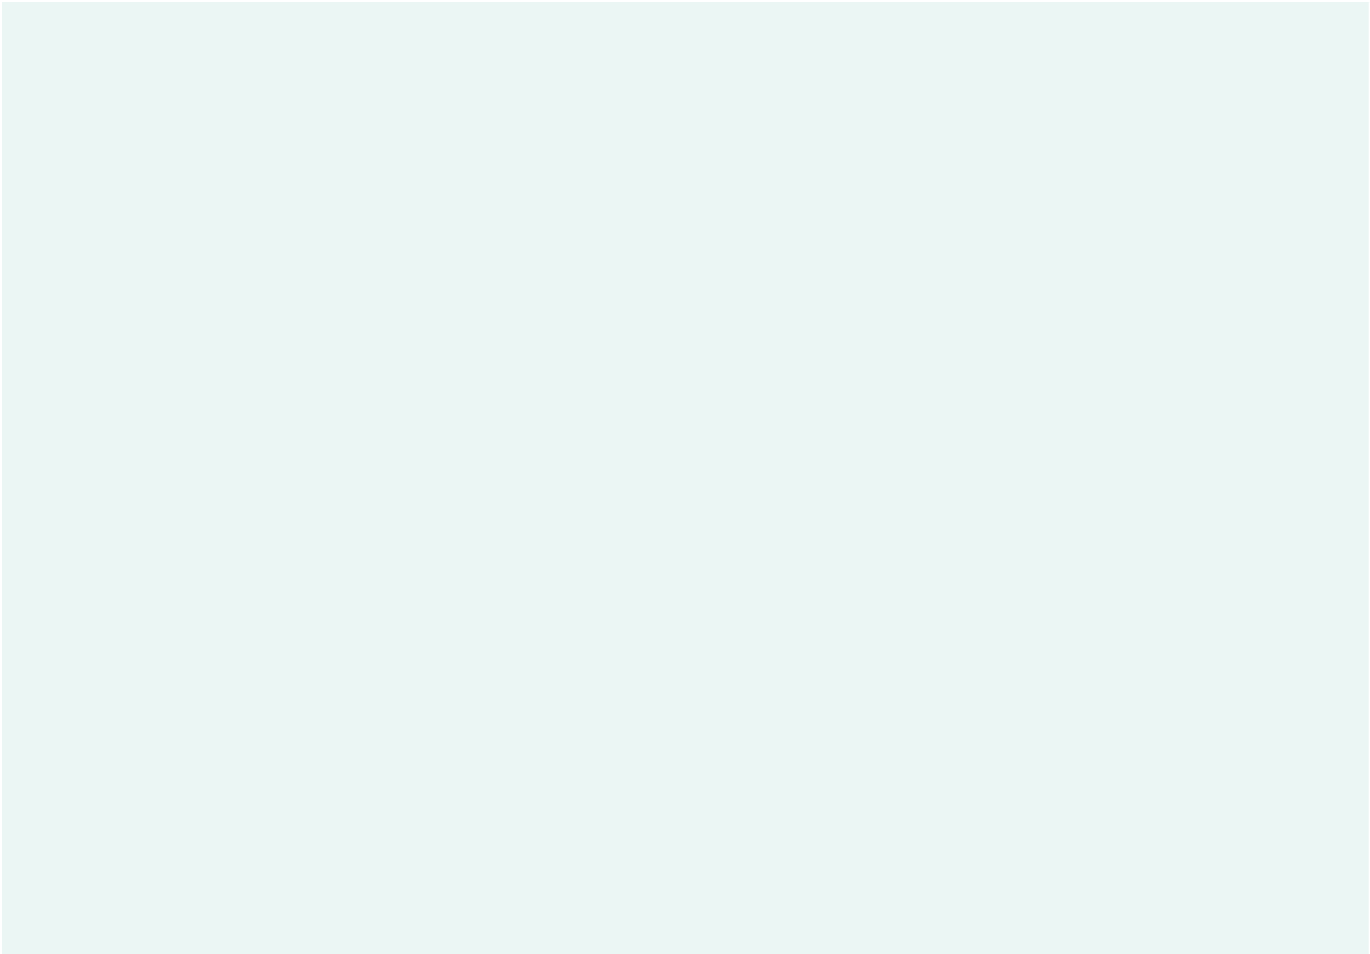

Fill in the table

Move around the room and choose which components you will add to your modular phone.

Feature	Specification	Cost	Why did you choose this?
<div>Storage</div> <div></div>			
<div>Camera</div> <div></div>			
<div>Battery</div> <div></div>			
<div>Processor</div> <div></div>			
<div>Screen</div> <div></div>			
<div>Total cost:</div> <div></div>			

STUDENT SHEET 4b

Draw and label your phone design

Summary Questions

- 1. How is a modular phone easier to repair?
.....
.....
